LOUNGE & LEARN PAVILION

HALL B1

The Lounge & Learn Pavilion is your go-to destination for making connections, joining engaging sessions, and diving into interactive learning. This dynamic hub is designed with YOU in mind and features four exciting zones:

- **The Gathering Zone:** A lively space where attendees can mingle, relax and connect – everyone is invited but there are also designated areas for our CV Team, Young Professionals and Women in Cardiology members. The Lounge & Learn Pavilion is also home to the **Faculty Lounge, HeartPAC Lounge**, and the **FAM Lounge** for FACC, AACC and MACC members.
- **The Education Zone:** With three engaging theaters, this zone is packed with professional development and non-clinical sessions that will inspire and inform. Plus, the nearby **Heart2Heart Stage** has an exciting lineup of discussions on key issues shaping the future of cardiology!
- **The Personalized Skills Zone:** Put knowledge into action in this immersive, hands-on learning space, where you can practice both procedural and decision-making skills. Don't miss the two Escape Room challenges – grab a team and see if you can beat the clock!
- **The Meet-Up Zone:** Keep the conversation going! This is your go-to spot for **After Chats** with speakers and panelists to ask questions and share insights, and to connect with fellow attendees during **Section Events**.

Whether you're looking to learn, connect, or simply recharge, the Lounge & Learn Pavilion is the place to be. Refer to the daily schedule or the ACC.26 App for specific session times.

POSTERS

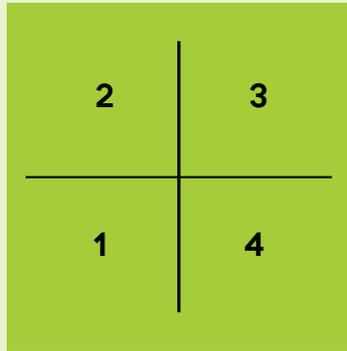

EXPO, HALL E

Join us in the **Poster Hall** to discuss the latest science with our poster and case presenters sharing both traditional flatboard and moderated posters. Don't miss the all-new Highlighted Original Research Stage featuring groundbreaking oral abstracts and an insightful recap of the latest advancements from the past year in each learning pathway.
